***The focus of the weekend is
Unity and Charity.***

The Parish Women's Weekend Retreat is sponsored by Catholic Daughters of the Americans (CDA) and presented by Catholic lay women.

The retreat's goals are to **surrender to Christ's merciful Sacred Heart**, to prepare our own hearts for the **Advent and Christmas seasons** and to **renew our hearts for the corporal and spiritual works of mercy**.

Why go on a retreat?

A Catholic retreat can rekindle your connection with God. You can use this opportunity to seek God's healing grace and attain a new degree of spiritual renewal. You can leave behind the distractions that prevent you from conversing with God.

While prayers at home can be a regular part of our life, praying on a retreat can be a life-changing experience. Because you are surrounded by people and individuals who share the same love for God as you do, the

experience of praying together can evoke new feelings to help you become a better human being and a firm believer.

Through community building, reflection, prayer, reconciliation, and furthering our understanding of our faith, we can each revitalize our own relationship with God.

Thanks to the time you spend in contemplation and prayer, you can deepen your relationship with our Lord as you come to know Him more intimately.
